4. Background

4.1 National Safai Karamcharis Finance and Development Corporation (NSKFDC)

National Safai Karamcharis Finance & Development Corporation (NSKFDC), a wholly owned Govt. of India Undertaking under the Ministry of Social Justice & Empowerment (MoSJE) was set up on 24th January 1997 as a Company “Not for Profit” under Section 25 of the Companies Act, 1956. NSKFDC is in operation since October, 1997, as an Apex Corporation for all round socio-economic upliftment of the Safai Karamcharis, Waste-pickers, Manual Scavengers and their dependants throughout India, through various loan and non-loan-based schemes.

Apart from operating various loan and non-loan-based schemes for the upliftment of the target group, NSKFDC is playing a vital role in prevention of hazardous cleaning of sewer and septic tanks.

4.2 National Action for Mechanized Sanitation Ecosystem (NAMASTE) Scheme

The National Action for Mechanised Sanitation Ecosystem (NAMASTE) is a Central Sector Scheme jointly implemented by the Ministry of Social Justice & Empowerment, Ministry of Housing and Urban Affairs, Ministry of Panchayati Raj, and the Department of Drinking Water and Sanitation, with the National Safai Karamcharis Finance & Development Corporation (NSKFDC) as the implementing agency. The Scheme has been under implementation since FY 2023–24, initially covering Sewer and Septic Tank Workers (SSWs) as well as identified Manual Scavengers and their dependents from the erstwhile SRMS Scheme. In June 2024, the scope of the Scheme was further expanded to include Waste Pickers as an additional target group.

NAMASTE aims to ensure the safety, dignity, and social security of sanitation workers through the promotion of mechanisation, strengthening of occupational safety measures, integration of informal workers into formal sanitation value chains, and facilitation of access to welfare schemes and livelihood opportunities. The Scheme also seeks to drive behavioural change among stakeholders and citizens towards safe and mechanised sanitation practices and services.

One of the target group of NAMASTE is the Sewer and Septic Tank Workers (SSWs) involved in hazardous cleaning operations and directly dealing with human fecal matter in urban areas of India. This shall include workers on the payroll of ULBs, parastatals and workers engaged through private sanitation service organizations (PSSOs), including private contractors and SHGs, involved in the following sanitation works directly:

- a. Emptying of septic tank
- b. Sewerage network maintenance

c. Sewer Entry Professional

Occupational safety training to SSW would be provided by NSKFDC under the aegis of MoSJE through the empaneled Training Partners. The norms and guidelines prescribed by the Ministry of Skill Development and Entrepreneurship (MSDE), being the nodal Ministry for skilling shall be strictly complied with.

4.3 Types of occupational safety training under NAMASTE Scheme

Under NAMASTE Scheme, NSKFDC, under the aegis of MoSJE, aims to provide occupational safety training to SSWs for performing following job roles, specifically:

- a) **Junior Technician - Mechanised Sewer Cleaning:** The Junior Technician Sewer Cleaner is an individual, who is responsible for operating mechanised equipment for sewer cleaning. He /She has to operate Sludge Vacuum tank with trucks, pumps, suction hoses, and other machinery/equipment to empty the machine hole. He shall also be responsible for its maintenance and upkeep.
- b) **The Desludging Assistant :** Is also known as Sludge Emptier is an individual, who is responsible for emptying, transport and disposal of faecal sludge from the septic tank to desludging site / Faecal Sludge Treatment Plant. He/She has to operate pumps, suction hoses and other machinery/equipment to empty the septic tank and appropriately dispose the sludge. Desludging assistant will further specializes as an entrepreneur, he/she would be trained to venture into desludging services for managing Faecal Sludge.
- c) **Sewer Entry Professional (SEP)** means a trained individual engaged in sewer cleaning and maintenance activities in confined or limited-access spaces, strictly in accordance with applicable safety protocols, occupational safety standards, and the provisions of the Prohibition of Employment as Manual Scavengers and their Rehabilitation Act, 2013 and MS Rules, 2013. The individual shall use appropriate Personal Protective Equipment (PPE), gas detection devices, safety equipment, and mechanized/manual support tools such as pumps, blowers, scrapers, manila ropes, cloth balls, sectional sewer rods, and other approved tools/equipment for sewer maintenance, desilting, blockage removal, and allied operations.

5. Key Features

The RFP for occupational safety training under NAMASTE will be published on the official website of NSKFDC www.nskfdc.nic.in and <https://eprocure.gov.in>

The major steps involved in the selection of applicant for the allotment of project as per this RFP in concurrence with NAMASTE are summarized below:

- a) The application must be submitted to NSKFDC by hand or through registered post or courier service.
- b) Upon the conclusion of the Proposal submission deadline, all received Proposals will be evaluated according to the evaluation criteria.
- c) Upon successful evaluation and approval by the Competent Authority, the successful Applicants will be notified of their selection for this Project as a Training Partner (TP) to provide occupational safety training to SSWs.
- d) Having TOT (Training of Trainer) certified trainers for the respective Job Role is mandatory for conducting occupational safety training.
- e) The Training Centers (Occupational safety training at any Accredited and Affiliated training center or at ULB premises) will be inspected through a virtual process or through a physical visit. In case of training at ULB premises, the TI need to submit declaration from the ULB that the trainings under the project is as per the norms of PMKVY 4.0.
- f) The attendance of the Sanitation Workers (SSWs) shall be mandatorily recorded through AEBAS. Eligibility of candidates for assessment shall be governed in accordance with applicable PMKVY

Guidelines and/or instructions issued by the Ministry of Skill Development and Entrepreneurship (MSDE) from time to time.

- g) The payment to TPs shall be made as per PMKVY guidelines for RPL training
- h) It is the responsibility of TPs to make sure that the equipment specified by the Awarding body/SSC is available for assessment. The same should be checked during the virtual/physical inspection, assessment and monitoring visits.
- i) The performance of the Applicant's allocated targets would be monitored by NSKFDC for quality aspects of occupational safety training.
- j) The submission of Proposals under the RFP mode does not guarantee the allocation of targets under NAMASTE. Any Applicant that does not fit the qualifying eligibility criteria will be disqualified at any stage during evaluation or due diligence without refund of Tender Fee. NSKFDC, in no case, will be liable for those costs, regardless of the conduct or outcome of the procurement process.
- k) It is the responsibility of the TP to arrange for functional sanitation machines/vehicles (Eg: Desludging vehicles, Jetting-cum-suction machine, or other machines/equipments/vehicles/PPE kits as mentioned in PEMSR Act, 2013, etc.) as well as safety devices (Eg: Safety tripod, Gas detector, etc.) for demonstration purpose during training.
- l) It is the responsibility of the TP to arrange for practical training on mechanised sewer and septic tank cleaning through site visits and with proper machines/safety devices and adequate safety precautions on the training site.

6. Sub-Contracting/Franchise/Sub-Letting

Sub-contracting, sub-letting, franchisee arrangement of any kind for the conduct of training under NAMASTE Scheme is strictly prohibited. Any Training Partner found subletting will be debarred from participating under the scheme.

11.2. Roles and Responsibilities of Training Partners

- Training Agency must register as a Training Partner on MSDE's Skill India Digital Hub (SIDH) portal (not registered already), post selection as a Training Partner for occupational safety training under NAMASTE.
- Training Partner must designate one Single Point of Contact (SPOC) on the SIDH portal to enable seamless communication across agencies/entities.
- Training Partner must ensure that the Training Centers are onboarded by following the Accreditation & Affiliation process (<https://admin.skillindiadigital.gov.in/knowledge-bank>), as per the job role into the SIDH Portal before starting the training. In case of training in the premises of ULB, the TI is required to submit declaration from the ULB that the trainings under the project is as per the norms of PMKVY 4.0.
- Training Partner must ensure the availability of adequate infrastructure and necessary equipments required for imparting training in the Training Centres.
- All Training Centres would be inspected by NSKFD before the start of training and during the training and assessment.
- Training Partner must ensure that the trainers experienced in imparting occupational safety training in sanitation sector, as required in the "Eligibility Conditions", have obtained **TOT certification from the concerned Sector Skill Council (SSC) before commencement of training**. If the trainers have not obtained TOT certification before the commencement of training, , then NSKFD reserves the right to cancel/withdraw the sanction given to the Training Partner, without refund of EMD.
- Training Partner must organise batches of SSWs for each training centre, considering the geographical proximity and ease of transportation for SSWs to reach the training centre. Each batch size is between **10-45 participants**.
- Training Partner must ensure that SSWs are informed about the Occupation Safety Training program atleast 5 days in advance. This advance notice allows participants to make necessary arrangements and ensures maximum attendance.
- Training Partner can collaborate with NAMASTE ULB Nodal Officer(s) in mobilising SSWs to the Training Centre to ensure mandatory attendance of the SSWs.
- Training Partner must ensure coordination between the ULB and Training Centre representatives to ensure the eKYC (electronic Know Your Customer) process of the SSWs is carried out for registration on the SIDH portal.
- Training Partner must ensure that only validated SSWs under NAMASTE are enrolled for the occupational safety training and share excel sheet of the candidates alongwith NAMASTE ID before commencement of training.
- Training Partner must conduct training including Practical training and site visit for the trainees

enrolled in each of the two job roles.

- **The agency is required to mandatorily screen/display AR/VR module of Tripod/ Desludging vehicle during the workshop to the sanitation workers. Orientation session for the same will be conducted by NSKFDC and login details will be shared with the empanelled TIs.**
- Training Partners are responsible for accurately recording the attendance of each trainee using AEBAS (Aadhaar Enabled Biometric Attendance System).
- Training Partner is required to strictly adhere to the Training Delivery Plan and diligently follow the Participant Handbook to ensure completion within the specified timeline.
- Training Partner must ensure that practical demonstrations and on-site visits are given to all SSWs, to maximise learning and training.
- The Training Partner must ensure that the training objective and outcomes are outlined to all the SSWs before the commencement of the session. They should also be provided with the course material.
- Training Partner must ensure SSWs are given information on:
 - Swachhta Udyami Yojana (SUY) scheme including the types of loans with its financials, role of ULBs etc.
 - Health insurance under Pradhan Mantri Jan Arogya Yojana (PM-JAY)
 - Prohibition of Employment as Manual Scavengers and their Rehabilitation Act, 2013 and the Rules thereof
- Training Partner must explain entrepreneurship opportunities in faecal sludge and septage management sector to the trainees, including licensing, certification and registration process for setting up a venture.
- Training Partner must flag any hindrances/obstacles/lack of cooperation faced by the Training Centre to NSKFDC in a timely manner.
- The Training Partner should establish a robust system for monitoring and evaluating the progress of SSWs throughout the occupational training program.
- TP must ensure that pre training assessment is carried out through visual and practical means, keeping in mind the literacy level of the target group (SSWs).
